Estate Agents sponsor Torquay United Football In The Community Vans.

Torquay Real Estate are pleased to have sponsored two vans for Torquay United Football In The Community Sports Trust. The eye catching vans now feature a footballer and details of the courses and clubs run by TUFITC.

Estate Agent Mike Lawton, whose own son Jack regularly attends the courses, has seen how much the kids enjoy the courses, not only do they increase soccer skills and general interest in the game from professional coaches, but also increase self confidence, teach teamwork, the importance of keeping fit and co-ordination skills that can be applied to a host of other sports.

The Trust are also involved with disability football and the recently launched Torquay United Inspirations FC.

Mike hopes that the sponsorship of the vans will increase awareness in our local community and would encourage any parents to get their children involved.

For details of the soccer courses and clubs available the Torbay and South Devon area contact Frank Prince on 01803 322551 or visit their website www.tufitc.co.uk

Pictured beside one of the vans are Mike Lawton and his son Jack from Torquay Real Estate with Frank Prince and Mark Titchard from TUFITC.
