

Stevens' Estate Agents on the move

After 34 years at its current East Street address, Stevens', **team** estate agent in Okehampton, is moving to a bigger, more prominent office.

On Thursday 8th September, the popular estate agency will move from East Street to its new address at 15 Charter Place on Market Street in the town.

Stevens' new Charter Place office is situated within Red Lion Yard, a very busy shopping area beside three large supermarkets and close to local branches of Stags and Fulfords, with nearby parking providing improved access for buyers and greater visibility for client's properties.

The highly regarded agency is busy preparing for the move, with new signage to be installed and unveiled on the day of the opening.

James Stevens will continue to manage the office. James said: "We are very much looking forward to the move. We're sad to leave East Street because my father first established the agency here in 1977 but Charter Place is right in the centre of town and we're all looking forward to working in a fresh, bigger office with highly visible window displays and parking close by, making it extremely easy for buyers and sellers to visit us."

Stevens' has built an excellent reputation based on its quality of service, friendliness and professionalism, working with its office in North Tawton as well as another 61 agencies in the Westcountry and hundreds of independent agents nationwide as part of the **team** network.

As a **team** agency, properties for sale with Stevens' receive more internet coverage than those with any other agent – an important factor to consider when over 85% of buyers begin their search for a new home online.
