

Listen up! for the best chance of selling your home - and for a chance of winning up to £5,000

All Cornish members of Westcountry **team**, the largest network of independent estate agents, are delighted to have launched a brand new radio advertising campaign to promote their unrivalled marketing exposure and Prize Draw to win up to £5,000.

The 30 second ad will be played on Pirate FM, Cornwall's number one music station, five times a day during September and every other day in October, urging home sellers to 'Listen up!', to put their property on the market with their local **team** agent and have the whole team working together to give them the very best chance of selling, all for a sole agency fee.

The ad also promotes the agents' free Prize Draw. Everyone who has a market valuation from their local **team** estate agent during September and October will be entered into the Draw, which will result in one lucky winner receiving up to £5,000 in the form of a cheque so they can cash it in and spend it on whatever they want.

So, listen up for the ad and call your local **team** estate agent for a market valuation to be in with a chance of winning up to £5,000 and for unrivalled exposure - properties for sale with **team** estate agents are marketed in 20 offices across Cornwall, 39 others across the South West and hundreds nationwide as well as featuring on more web sites than any other agent; an important factor seeing that over 85% of buyers start their search for a new home online.
