

Teignbridge Estates takes Wood's name

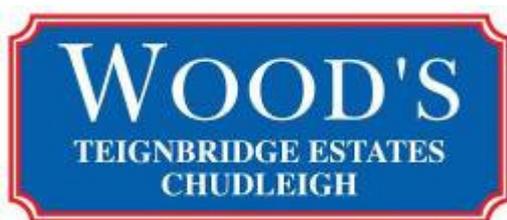

Teignbridge Estates, **team** estate agent in Chudleigh, has recently completed its rebrand as an office of Wood's Estate Agents & Auctioneers.

Teignbridge Estates has been selling property in Chudleigh, South Dartmoor and the Teign Valley from its prominent town centre offices since 1983 and over the last 27 years, has built an excellent reputation as a professional sales and lettings agency with a friendly service and extensive knowledge of the local property market.

Owner of Teignbridge Estates, Andy Pounsberry FNAEA became a co-owner of the Wood's group over three years ago; the businesses integrated to operate as one and the rebranding of the Chudleigh office completes the process.

Working with Andy in the office is his son Sam Pounsberry MNAEA, lettings manager Angie Richards MARLA and secretaries/ administrators, Margaret Sampson and Sherry Harvey, who all live in the town.

Teignbridge Estates is now fully trading under the award-winning Wood's brand with new signage as well as advertising, letterheads, web site, For Sale boards and other marketing materials.

The new Wood's office in Chudleigh is the northern-most of six Wood's offices across Teignbridge and South Hams, with others based in Kingsteignton, Ashburton, Newton Abbot, Kingskerswell and Totnes - all working together to successfully achieve the goals of each client; buyers and sellers, landlords and tenants. Wood's was established 16 years ago by co-owner Nick Wood, and the agency is proactively involved in fundraising for charity.

A testament to its efficiency and service, Wood's was recently awarded with one of the highest accolades in the industry – the title ['Best Medium South West Estate Agent' at the 2010 Estate Agency of the Year Awards.](#)

Andy said: "We have been working closely with Wood's for many years as local Devon members of the **team** network of independent estate agents. We share the same professional practices and standards, our staff are all highly dedicated and fully trained and our computers are linked via the **team** multi-listing system. I'm thrilled to have re-named Teignbridge Estates to fall in line with our other five offices; as a fully branded Wood's office we are of course recognised as being linked with the others. Together, and as **team** agents, we offer extensive marketing coverage throughout the region and nationwide with links in London and the Home Counties, as well as a raft of professional sales and lettings services including surveying, conveyancing, individual and multi-lot auctions.

The six Wood's offices in Devon also work together with over 100 other **team** agents across the Westcountry to sell more property for clients. For information on **team**, visit www.westcountryteam.com.
