

## Wood's Lettings & Property Management celebrates 5<sup>th</sup> anniversary

Wood's Lettings & Property Management in Kingsteignton celebrates its 5<sup>th</sup> anniversary this week.

Established five years ago as a central office dedicated to handling the rental properties and enquiries for all five branches of Wood's Estate Agents & Auctioneers, Wood's Lettings & Property Management has grown from strength to strength and is now one of the most successful lettings agencies in the region.

Angie Richards has been the Lettings Manager for the whole half decade, her extensive experience originally positioning her as the ideal candidate to head up the office. Angie is now supported by Emma Beaumont, Paula Murch and inventory clerk Becky Cotton at the busy office, which now holds a portfolio of nearly 150 managed properties in an area stretching from the top of the Teign Valley to Blackawton in the South Hams.

Wood's Lettings & Property Management offers landlords a choice in levels of service and every available home is advertised throughout the Wood's Group - in Wood's offices in Totnes, Ashburton, Chudleigh, Newton Abbot and Kingskerswell as well as the lettings office in Kingsteignton.

Demonstrating its commitment to professionalism and upholding the highest standards in customer service, Wood's Lettings & Property Management is a member office of ARLA (The Association of Residential Letting Agents) and Angie holds full ARLA qualifications.

Angie said: "The last five years seem to have flown by! Having one central office dedicated to lettings within the Wood's Group works extremely well and we let a wide range of properties from studios to five bedroom houses. We're proud to have become one of the largest lettings agencies in the area."

For two consecutive years, Wood's Estate Agents & Auctioneers has been crowned with a Best Medium South West Estate Agency of the Year award - one of the highest possible industry accolades and a real testament to the agency, which has been trading for almost 30 years.

Wood's is also a member of Westcountry team and as such, works with over 100 other independent estate agencies throughout the South West. For information, visit [www.westcountryteam.com](http://www.westcountryteam.com).
