

team estate agents launch Summer Prize Draw

- Winner to receive up to £5,000

Westcountry **team**, the South West network of independent estate agents working together to sell homes for clients, has launched a free Prize Draw with one lucky homeowner set to win a grand total of up to £5,000.

Between now and 31st July, all property owners who have a market valuation on their property from a participating **team** estate agent will be entered into the prize draw to win £1,000 cash.

And there is a £4,000 bonus for the winner – if, prior to the draw taking place, the winner has formally instructed the **team** agent to sell the property then they will be entitled to the bonus of £4,000 upon the subsequent exchange of contracts with a buyer introduced by that agent, bringing the total possible prize fund up to £5,000.

A Seaton couple were thrilled to be presented with a cheque for £1,000 just before Christmas, as the winner of the organisation's Autumn 2011 Prize Draw.

With over 100 **team** estate agents in the Westcountry, there is an office locally placed to sell most homes in the region. During the three month period, **team** estate agents will take entry forms with them when they value properties. Everyone who receives a market valuation on their property during this period will be entered into the draw. The estate agent will give the top half of the entry form to the homeowner and send the bottom half, complete with the owners contact details to Westcountry **team**'s head office. Participating agents will be easily identified with window stickers, posters and leaflets in their offices as well as incorporating news of the Prize Draw into their advertising material.

The draw will take place on Saturday 1st September 2012 and is open to one entry per property, excluding rental valuations. The winning entry will be chosen at random.

Steve Moir, chairman of Westcountry **team**, said: "**team** estate agents are professional agencies, all well-established with years of local knowledge and experience working together to sell property

for clients. We're delighted to launch the Summer 2012 Prize Draw, which gives would-be sellers up to 5,000 more reasons to instruct their local **team** agent to sell their home among a raft of other benefits including unrivalled printed, online and in-office marketing exposure."
