

TILE DEPOT

Press release – 12th May 2011

Ultra stylish glass splashbacks now available at Tile Depot

The ultra stylish enki collection of sleek glass splashbacks and coordinating upstands is now available from all 16 branches of Tile Depot, the UK's largest independent tile, stone and wood retailer.

The ultimate statement piece for any kitchen, [enki splashbacks](#) come in a dazzling array of colours and styles with bright, muted and mono tones as well as shimmering metallics and rich and inspired patterns to suit all tastes. Made of 6mm toughened safety glass, enki splashbacks are suitable for use behind hobs and sinks and are available in a choice of sizes for a stunning block of colour or pattern with a dramatic effect.

Highly practical as well as truly striking, the splashbacks are water and stain resistant and provide a hygienic, one-piece easy-clean smooth surface. Being self-adhesive, installation is quick and easy on a prepared wall, and the colours are UV stable so they won't fade with age.

A brand new enki display now features in every Tile Depot store in London and the South East, presenting the selection of 'Simple Splashbacks' in a choice of three sizes and 10 high-gloss colours - Lipstick, Metallic Lime, Amethyst, Sage, Mink, Liquorice, Whisper, Saffron, Hot Pink and Chocolate Brownie - as well as those with a sparkle effect in Silver and Galaxy Black. Each display also showcases the '[Designer Splashbacks](#)' collection, each 60 x 70cm with a choice of designs from cooking-related words and utensils for the more traditional style kitchen to Floral, Retro and Stripe patterns along with Zebra and Tiger Animal print designs for bold, contemporary kitchen spaces.

David Fitzgerald, operations director at Tile Depot, said: "The enki glass splashbacks and upstands are absolutely stunning and we're delighted to introduce them to our stores as a sleek alternative to tiles. Kitchens are becoming brighter and bolder with an increase in the desire and ability to create more individual, personalised interior spaces and there are also some fabulous [colourful](#)

[kitchen wall tiles](#) coming onto the market. The new Creative Colours range of ceramic 15 x 15cm tiles, now available from Tile Depot in 25 colours, is proving extremely popular.”

The coordinating enki glass upstands measure 100 x 14cm and are available in an assortment of matching and complimentary colours to add the finishing touch to any kitchen. Combined with subtle lighting, the glass splashbacks and upstands create a particularly dramatic effect.
