## Tile Depot introduces stylish bathroom mirrors and furniture in selected stores

Tile Depot has launched a range of stylish accessories for bathrooms, cloakrooms and en-suites in selected stores.

The brand new selection of beautifully-designed mirrors, a handsome, modern cabinet and a range of bathroom furniture and basin units in a variety of modern finishes is now available from Tile Depot's flagship store in Slough.

Selected from the HiB collection of quality bathroom products - known for its passion for quality, style and innovation – the furniture and accessories now enhance Tile Depot's showroom displays and provide customers with even more choice as well as the opportunity to add superb practical and finishing touches to their bathrooms, from under one roof.

The furniture and accessories complement the UK's largest independent tile and stone retailer's portfolio of a massive range of [floor and wall tiles in ceramic, porcelain and natural stone](#) along with mosaics, decorative and feature tiles, wooden flooring and grouts, adhesives, trims and tools. Bathrooms are also available at Tile Depot's three tile & bathroom stores.

The range of gorgeous mirrors includes Celeste – with a simple design of LED lights at opposite corners, complete with glass shelf and shaver socket, at 68x45cm; Crystal – a 70x50cm bevelled mirror with symmetrical bevelled mirror squares and optional Demista pad; Emma – 50x40cm with a stunning mirror-on-mirror design; and Flora – a bevelled mirror on a patterned frame of bevelled black glass, 80x60cm;

Apollo, just launched by HiB, is a wonderfully modern 70/30 split-carcase stainless steel cabinet with internal mirror, measuring W50xH70xD10.5cm.

And the furniture has been especially designed for the small bathroom, cloakroom or en-suite where space limitations can so often compromise a

luxury feel. With each component available separately and also as packages, furniture includes:

Cassino – this wall hung unit (W40xH32xD20cm) and optional shelf in a high gloss black finish create a wonderful contrast against an inset basin while providing valuable storage space in a small room. The Cassino unit and shelf is available as a package with the Ripple basin, black Roma tap and waste.

Bella – a floor standing unit (W23xH68.5xD23cm) with unique wrap doors giving even further storage space beneath an inset basin, in a choice of either a Medium or Light Oak finish. The Bella unit and basin is available as a package with the Minima tap and waste.

And the Manhattan tall wall unit - using the most original combination of materials, the invocative Manhattan is at the forefront of design. Slimline at W30xH160xD19cm, Manhattan makes the most of the available space in any small room.

The selection available at [Tile Depot's flagship Slough branch](#) also includes Halifax, Astoria and Dalia mirrors, and Sienna and Sorrento washbasin units and packages.
