Helmores sponsors Coplestone primary with new kit

Helmores, **team** estate agent in Crediton is delighted to announce its sponsorship of Coplestone Primary School's football teams with new kit which arrived this week.

The striking green strip, in yellow for the goal keeper, will be worn on the pitch for the first time after the Easter break.

Around 30 of the nearly 160 children who attend Coplestone Primary School are members of the weekly after school Football Club. For an hour and fifteen minutes every week the children practice their skills – touches, shielding, dribbling and passing - and enjoy finishing their training session with a match.

The children are coached by parent, Guy Gibson supported by teacher and team manager, Michael Smith. Michael said: "The children are extremely positive and enthusiastic about the game and can't wait to get out onto the pitch for the first time in their new kit. Guy does a fantastic job with the children and is a proven coach; his eldest daughter was one of our school team stars and his youngest is now a member of the Club. Guy and I are extremely proud of everyone in the Club and we have some really promising players. We must thank David Hughes, a parent and school Governor for his link with Helmores – he and Rob Stoyale are old school friends themselves. And of course, the biggest thanks are for Helmores – the kit looks great and the children are pleased to wear it."

Rob Stoyale and Phil Morgan, partners of Helmores are delighted to help. Rob said: "As estate agents, we are very much part of the local community and we're really pleased to support one of our schools. Football is an excellent sport; the children get lots of fresh air and it is a great way to encourage exercise. The school needed a new kit and the shirts look great in the vivid colours with the Helmores logo – the team looks very professional and we wish them the best of luck for all of their matches."

Coplestone Primary School is one of 14 members of the well-regarded Crediton Learning Community, headed by Queen Elizabeth's Community College with Coplestone and the other
